## EXPERIENCE

### The Iron Yard, Front-End Engineering graduate

January to May 2017

12-week intensive course focusing on HTML, CSS, JavaScript, Bootstrap, Bulma, and React. Visit [lensflare.herokuapp.com](https://lensflare.herokuapp.com) to view my team's final project.

### Human Kinetics Publishing, Developmental Editor

January 2005 to November 2016

- **Project management—**
  - Led team communications through weekly scheduling updates and monthly budget analysis and projection.
  - Kept Access databases updated to facilitate cross-organizational communication.
- **Customer relations—**
  - Updated author handbook to reflect new house procedures and policies for the publishing process, encouraging higher-quality writing with less in-house time required to correct mistakes.
  - Worked with authors to revise manuscripts for organization, balance, clarity, and inclusion of elements to fulfill acquisition vision and enhance audience experience with and understanding of material.
- **Templating—**Developed new Word template and instructions for photo shoot organization.
- **Procedures—**Reviewed photo chapter of editorial handbook to streamline and update procedures for editors and authors.
- **Content development—**
  - Developed online book ancillaries to increase educational experience.
  - Conceptualized artwork used within products to illustrate key information.
  - Organized photo shoots and searched photo library to place photos for decorative purposes or to display techniques.
- **Company Enhancement—**Organized photo shoots for in-house stock photo library.

### Human Kinetics Publishing, Assistant Editor

February 2003 to January 2005

- **Project management—**
  - Coded manuscript with style tags for layout in InDesign.
  - Led team communications through weekly scheduling updates and monthly budget analysis and projection.
- **Procedures—**Authored printer proofs editorial handbook chapter.

### Macon County Emergency Telephone Systems Board, Communications and Administrative Assistant

May 2001 to February 2003

- **Templating—**Designed forms for use by enhanced 9-1-1 testing operators.
- **Communications and Design—**Designed ETSB logo, business cards, and communication materials informing residents of address change and enhanced 9-1-1 testing procedures through letters, pamphlets, and doorknob hangers.
